

MISSING CAT REWARD

Astro is quite a large cat. He has short whiskers for his body size.

Astro was last seen on **Wednesday 19th May 2010** in **Whatton, Nottingham**. NG13 postcode area.

- He is micro chipped – any vet will **scan him free of charge** to confirm ownership.
- He is also neutered and **cannot** be used for breeding.
- If you see a cat that looks like Astro, please **try and take a photo on your camera or mobile phone** so that his owners can see it if he is gone when they get there.
- Do you know anyone who might have started feeding him or adopted a new cat around the time of Astro's disappearance?
- Astro could have been **locked in your shed or garage** by accident - please check thoroughly.
- Drivers, did you see an accident that could have involved Astro?
- His owners are desperate for news. If you can help:
