

MISSING DOG
REWARD

This Dog was last seen by her family on Friday 3rd April 2009 in the area of Whisby Nature Park, Lincoln.

- She was wearing a black leather collar with a name tag when she was last seen although these might have been removed by now.
- She is neutered and **cannot be used for breeding.**
- She has a red/brown coloured coat and a small white patch on her chest.
- **She is microchipped** – any vet will scan her **FREE OF CHARGE**
- Do you know anyone who may have bought her in good faith or adopted a new dog around the time of her disappearance?
- Her family really miss her- if you can help: -
